The Young Survival Coalition (YSC) of Central Indiana and Hamilton County MIBOR (Metropolitan Indianapolis Board of Realtors) would like to invite you to participate in the 3rd annual “Take a Swing at Breast Cancer” Golf Outing. This event will take place on Tuesday, September 16, 2008 at Purgatory Golf Club in Noblesville, Indiana. We are building on the successes of the previous years and promise to make this year’s golf outing one you won’t forget!

The funds raised have enabled us to expand our services and programs in Central Indiana, including educational programs such as Adopt-A-Hospital and Newly Diagnosed Resource Kits. With these valuable programs, we provide a local resource guide, our brochures, educational DVD’s, and an informative book to young survivors as well as cancer centers, breast surgeons and oncologists in the Indy metro area. Our young survivors attend educational conferences, speak to local women’s groups and participate in health fairs to help spread the word that you’re never too young to get breast cancer.

The YSC leads the way in educating, advocating and addressing the critical concerns and issues that are unique to young breast cancer survivors and those at risk. Please assist in our efforts again this year to “Take a Swing at Breast Cancer!”

Within the enclosed brochure you will find a registration form. Feel free to share it with your friends and neighbors, but sign up early because we only have room for 144 golfers. We are also looking for items for our Silent Auction. If you or someone you know would like to donate, please complete the attached form.

Checks (made payable to “YSC Central Indiana”) and/or donated items can be sent with the attached donation information form to:
